Re: R1-10, Campus Community Association NIG Grant Application

Dear Tom and Members of the UNC Board,

The Campus Community Association respectfully requests that the grant amount be reduced to \$9300.00. This is a reduction of \$1250.00 from our requested amount.

Our tree trimming project could not wait for the grant opportunity for the safety and health of the trees so we have completed that project with our own funds.

We appreciate the opportunity to fund these worthwhile projects and thank the UNC Board for giving us this opportunity.

Sincerely,

David Erickson
President, Campus Community Association
