

12th October 2007.

Dear Parents and Carers,

This is just a very quick letter to remind you that the school photographer will be coming into school on Tuesday October 16th to take individual photographs of the children. Children who have brothers and sisters in the school will automatically be photographed together. However if you wish to have a photograph taken of the whole family, please arrive at school at 8.30a.m. and he will be happy to photograph you as a family group. This will be done on a first come, first served basis.

There will be a newsletter next week with all the latest updates and holiday dates but may I just remind parents that we have several **children** in the school who are severely **allergic to nuts**. **Please do not send your child to school with lunchboxes containing nut products. Any contact with nuts, even touching a child who has just handled a peanut butter sandwich for example could cause anaphylactic shock in these children. Thank you for your cooperation.**

Also it has been noticed that several Year 2 children are being left alone on Locks Hill before 8.45a.m. Your children are your responsibility until the gates open. Please don't leave your children without supervision on the main road before school.

Have a very safe and happy weekend!

Yours sincerely,

Miss Dawn Oliver - Headteacher
